Suggestion- New data in fatality trends are 1/3 of children ingest MAT medications. It would also be a good idea to hand these out to those that are on MAT and have children.

- We have a new case manager trainee, Samantha Brion that will be beginning on November 28th.
- For Red Ribbon Week we distributed pencils, stickers, coloring pages, and puzzles for all classrooms in the elementary schools including the private institutions like Trinity Lutheran School and New Covenant Academy. It was well received by all the schools.
- The dinner and movie event went very well and we had many attend- about 78 people in Cowanesque Valley and 48 people in Lawrenceville. We had a lot of positive feedback from many generations in the families. If we have any money left, we are discussing hosting a movie night at the Liberty school.
- Other events include hot cocoa and caroling in Westfield held by the prevention team.

Davy expressed concern with the amount of things that families and children have to do in the area. Commissioner Hamilton states there are a lot of programs and activities, opposed to an actual business, for example a bowling alley, it is just a matter of getting the information out to the community.

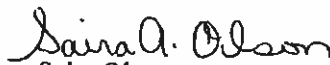

Davy made a motion to close the meeting. Malachi seconded. Meeting Adjourned at 1:56 P.M.
